

## آئندہ شماروں کے موضوعات

ڈاکٹر مظفر اقبال کی زبرداریت شائع ہونے والے اہم علمی مجلے Islam & Science [کینڈا] کے چھ شماروں کے مضامین کا جائزہ، محاکمہ، نقد، اس وقیح علمی رسالے کے مضامین جدید سائنس کی مرعوبیت کے خاتمے میں اہم کردار ادا کرتے ہیں اور دنیا کو یہ بتاتے ہیں کہ عالم اسلام میں سائنس کا صرف ایک منہاج نہیں تھا بلکہ کئی منہاج تھے اور ان کی بنیاد مغرب سے قطعاً مختلف تھی۔ ڈاکٹر مظفر اقبال کی کتاب Islam & Science اپنے موضوع پر ایک منفرد کاوش ہے جو ضیاء الدین سردار، علی گڑھ اسلامک سائنس انسٹی ٹیوٹ کے ڈاکٹر ریاض کرمانی، وقار حسینی، یوسف واندر، شہاب الدین ندوی بھارت، وحید الدین خان کے مقابلے میں نہایت عمدہ اور منفرد نقطہ نظر کی حامل ہے۔ ڈاکٹر مظفر اقبال کا مکتب فکر مغربی فکر و فلسفے کی اساسات سے جدید سائنس کے فطری تعلق اور جدید سائنس و ٹیکنالوجی کے سرمایہ داری سے ازلی وابدی تعلق کو نظر انداز کرتا ہے اگر جدید سائنس و ٹیکنالوجی سے سرمایہ داری کے رشتے کو منقطع کر دیا جائے تو جدید سائنس کا پھولا ہوا غبار ایک لمحے میں پھٹ کر ریزہ ریزہ ہو جائے گا۔ ذیل میں اسلام اینڈ سائنس کے چھ شماروں کے مضامین کی فہرست ملاحظہ کیجیے۔
